Presentations

Roadside Inspection– This session gave me good understanding of the AL DOT Roadside Inspection guidelines and requirements; and it's impact on driver's safety. **3.5**

Distracted Driving– I gained a greater understanding of the hazards created by distracted driving. **3.8**

Roundtable Discussion: Safety Topics – This session gave me a good understanding of the current safety issues affecting municipalities. **3.6**

Work Zone Safety

– I better understanding the work zone safety areas; and how to reduce the injuries/fatalities in these areas. **3.8**

Comments regarding particular weaknesses or strengths of the conference:

- A general discussion was good as the presentation with it being led by persons with a variety of experience in the subject.
- Excellent. Networking is one of the best benefits.

Great ideas for the 16th Annual PESCA Conference next year are:

- Coaching skills for supervisors
- Use of temporary traffic signals in work zones.
