

Public Employees Safety Council of Alabama P.E.S.C.A.

Thank you for expressing an interest in PESCA.

As you are probably aware, the mission of PESCA is to provide a forum for safety, health and risk management practitioners. PESCA members meet to share information that will help prevent injuries, and accidents, and to protect assets and public service capabilities from the consequences of accidental and fortuitous loss so that employees and the public may enjoy safe and healthful surroundings in their daily pursuits.

Networking is one of the greatest benefits of PESCA membership. PESCA is composed of Safety Managers, Risk Managers, Safety Committee members, Government agencies and University Safety Professionals who have common challenges and are willing to share their experiences to help other members solve problems and improve safety in their public sector institutions. Members routinely share challenges and solutions to problems.

We are looking forward to having you aboard as an associate member. You will reap the benefits because you will have contact with so many people and you can be an exhibitor at our 17th Annual Safety Conference in Montgomery, Al on November 3, 2016. Please complete the attached membership application and join us in helping make the workplace safer for all Alabama public employees.

Name (Last) _____ (First) _____ (MI) ____ (Suffix) _____
