
PROGRAM OBJECTIVES

1. Assist those in safety and risk management for public sector agencies in recognizing and handling the many situations presented in their job.
2. Provide a foundation of knowledge and skills to those individuals involved in safety and risk management.

OUR SERVICES

GEDI cooperates with various professional organizations to provide certification programs to enhance the knowledge and skills of public sector officials and employees. We provide on-site training to governments in a variety of topic areas aimed at improving personnel and financial management, strengthening leadership and team development, improving government services to citizens, increasing organizational efficiency, and educating about important legal and ethical issues. Programs are tailored to an individual government's needs and time considerations.
